Chords are indicated above the staff: C, G, C, G, C, G, D, D.

Chorus Where's my John?  
Has anyone seen my John?  
He is a gay and hearty lad  
Has anyone seen my John?

1 Lately by the Dock-side I saw Johnny standing there  
Hands into his pocket and a face full of despair

Chorus

2 When I saw him yesterday he was walking on the shore  
I saw him looking to the sea - it grieved my heart full sore

Chorus

3 "There is no money to be had a-fishing up and down  
"I'll go up north and sign on board, take coals to London Town"

Chorus

4 He's shipped onboard the VISITER, on a bright and smiling morn  
He's gone away to earn his pay, and left me all forlorn

Chorus

5 Often on a clear blue day, with spy-glass in my hand  
I stand and watch the boats go by, so far away from land

Chorus
